

VOCABULARY STRATEGIES

Read On

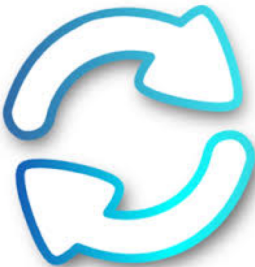

Look for clues in the next sentence or two that help you out with the word meaning.

Look at the Prefixes

Un -
Pre -
Mis -
Re -
Ex -
Non -

Look at the beginning of the word (the prefix) and use the meaning of that beginning.

Reread

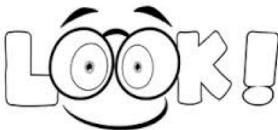

Look back at the paragraph and see what makes sense for the meaning from context.

Look at the Suffix

- **ly**
- **tion**
- **ful**
- **lese**
- **er**
- **ing**
-

Look at the end of the word (the suffix) and use the meaning of that ending.

Look at the Picture

Look at the picture for clues.

Check if it Fits

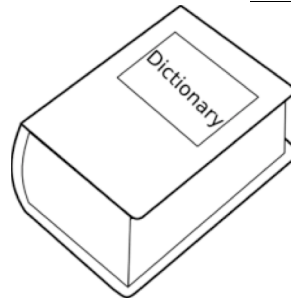

Try reading again with what you think the word means. Ask
- Does it make sense?

Look for Parts of the Word You Know

Introductory
→
Introduce

Use a part of the word you know already. Ex. Introductory / introduce

Dictionary

If you still are unsure, check a dictionary.
